

## Wine List June 2009

With the assistance of Australian Wine Archives we have what we believe is an interesting, well balanced and affordable selection of wines. The wines are mainly Australian but we have also included a sprinkling of international wines. We have endeavoured to bring a good cross section of varietals and blends, from a number of regions and vintages. We have also included a carefully selected listing of dessert wines, and sweet fortified wines, cognac and whisky. BYO bottled wine only \$9.00 Red & White wine by the glass 150ml
